

PANCH-KEDAR TOUR PACKAGE -

As the legend goes... in the mahabharat, while on their Himalayan Pilgrimage, the Pandavas decided to pay Homage to Lord SHIVA. But Lord Shiva was not interested in meeting them as they were guilty of Gotra Hatya. Seeing the Pandavas coming, the Lord disguised himself as a Bull. But the Pandavas saw through Shiva's disguise. Viewing that his disguise had not worked the bull tried to plunge himself beneath the ground. But Bhima was swift and held on to the hind legs of... the bull, thus preventing it from vanishing. In the struggle that ensued different parts of Lord Shiva's body appeared at various places in Kedarnath. With the forelegs showing up at Pashupatinath in Nepal, the rump of the bull at Kedarnath, the torso including the navel ... at Madhmaheshwar, the Arms at Tungnath, the face at Rudranath, and the matted hair of Shiva at Kalpeshwar.
